Issues of Interest Activity

With a class partner, review and select one of the curated *Issues* to explore. Read the overview, discuss the main ideas and critical thinking points with your partner. Choose three of the available resources (e.g., viewpoint, primary sources, journals, or websites) that support opposing viewpoints if you were using the topic for your paper.

Resource #1

Title: _____ Information Type: _____

Author/s: _____ Date: _____

Why this resource? _____

Resource #2

Title: _____ Information Type: _____

Author/s: _____ Date: _____

Why this resource? _____

Resource #3

Title: _____ Information Type: _____

Author/s: _____ Date: _____

Why this resource? _____
