

WELCOME

The Archer Library offers many services to students on campus and online. Digital and print resources, including over 650,000 eBooks and print books, support all levels of coursework. Dedicated to student success, the library features the Instructional Resource Center, the Bernice Faber Baker Active Learning Lab, a Special Books Collection and the Leo and Laura Thomas Numismatic Center.

Student-centered departments, including the Writing and Communications Center, the Center for Academic Support and the Career Center for Life Calling are also located in Archer Library. In addition to the library's information and service desk, the main floor now includes the Lyceum Café, XR conference room and student IT help desk.

ARCHER LIBRARY

MANY RESOURCES AVAILABLE

The Archer Library offers a wide variety of services and resources to students on campus and online.

Use the chart on the right, to learn what services are offered and where they are located within the Archer Library.

MAIN FLOOR

▪ Information Desk	Get help, check out items, pick up OhioLINK and interlibrary loan requests.
▪ Research Assistance	Librarians are available to help with your research. To request assistance, ask at the information desk, email library@ashland.edu , complete a request form or chat online from the library website.
▪ Bernice Faber Baker Active Learning Classroom	Library instruction sessions are held in this classroom, which is equipped with collaborative spaces and high-tech features.
▪ R/VR Conference Room	Faculty and students can use this flexible learning space to try out VR-based simulations using Microsoft HoloLens.
▪ Writing and Communications Center	Visit, wcc@ashland.edu or 419-289-5145 for more information
▪ Lyceum Café	The café menu offers various multigrain toast, flatbreads, sandwiches, salads, baked goods and hand-crafted coffees and teas.

SECOND FLOOR

▪ Instructional Resource Center (IRC)	Our collection, general education titles, juvenile and young adult literature support the teaching programs and curriculum of the Dwight Schar College of Education. Explore our comprehensive collection and K-12 curriculum resources. IRC technology includes computers, scanners, access to a printer and a poster printer. Equipment resources include a sheet and roll laminator, binding, button makers and Ellison Die Cut Machines with an extensive library of dyes.
--	---

THIRD FLOOR
